**Assumption of Risks**

I acknowledge that inherent risks, dangers and hazards exist when using hand tools, power tools, supplies, and other equipment commonly used in electronics construction, fabrication, software design and other activities hosted by Calgary Protospace Inc. ("Protospace"). Participation in such activities and/or the use of equipment associated with technology design, manufacture and experimentation may result in injury, illness, death or damage to personal property. These risks and dangers may be caused by other people, including Protospace members, participants, or guests, or by accidents, acts of nature or other causes. Risks and dangers may arise from foreseeable or unforeseeable causes including, but not limited to, electrocution, burns, impalement, and injury from slips or falls.

I am responsible for my own safety during Protospace's activities. This includes ensuring that tools are in proper working order, and that tools are used safely and responsibly. I agree not to use any tools I do not know how to use. I agree not to use tools or equipment while under the influence of drugs or alcohol.

I acknowledge that a Protospace member who may be acting as my host or Sponsor and other Members of Protospace may advise me on safe work practices, but this does not constitute training, nor a supervisory relationship. I further acknowledge that responsibility for safely using Protospace's facilities, tools or equipment lies entirely on myself. Failure to follow reasonable safety protocols or wilful violation of reasonable safety protocols may result in expulsion from Protospace facilities. If I am currently a Protospace member, or become one, wilful violation of reasonable safety protocols may result in the termination of my membership and/or access rights.

Until and unless I apply for and am accepted as a full member of Calgary Protospace, I understand that as a Guest, in order to access Protospace facilities or space, I must be accompanied by a member of Protospace, and I will not seek to access nor to remain in the space unaccompanied, until and unless I have become a member and have been issued my own key, key fob, or access card.
